

Support Group Information

Persons of Size Support Group

If you've had weight-loss surgery or are considering it, Southern California Hospital at Culver City participates in the Persons of Size Support Group, which is held at the hospital the first Tuesday of each month in the Green Room, just off the main lobby.

Support Group

First Tuesday of Each Month

6:30-7:30 p.m.

Culver City Hospital's Green Room

3828 Delmas Terrace

Culver City 90232

At each meeting, a guest speaker leads a support group discussion, which includes sharing successes and challenges, delicious recipes, and weight-loss tips to help build camaraderie and support. The groups are strictly confidential.

About Southern California Hospital at Culver City

Our bariatric surgeons have advanced training in state-of-the-art laparoscopic techniques for gastric bypass and sleeve. They are supported by a team of medical

professionals with specialized skills in weight-loss surgery techniques and comprehensive pre- and post-operative support. Our bariatric team will provide support throughout the process and answer any questions you have toward your goal of long-term weight-loss success.

In addition to choosing the right surgeon, choosing the right program is equally important. Our weight-loss surgery program is accredited as a Center of Excellence in Metabolic and Bariatric Surgery by the Surgical Review, as well as an Accredited Center under the Metabolic and Bariatric Surgery Accreditation and Quality Improvement Program.

Southern California Hospital at Culver City is among the top 5% in the nation for Patient Safety Excellence by Healthgrades. For more information on our program, visit CulverCityBariatrics.com. For more information about the hospital, visit SCH-CulverCity.com.
